

**Project: ELCT :: Care2x**

**Type (E, C, N)<sup>1</sup>: E**

**Reference Number: 12**

**Error:: Cancel Appointment**

**Short Description: If you cancel an appointment, the password is not hidden.**

**Full Description:** If you go following way:

Admit a patient and show the admission data. Now you can select the point on the right hand „Cancel this admission“.

Now a pup up box appeared and asking for the login and password. This password is not hidden and any person can see it.

**Implementation Remarks:**

Make a new pop up field in this you can span out a form. Use a common text field and a field defined as ‚password‘.

**Will be realized by: MEROTECH**

**Estimated Realization: 1 day**

**Needed till: 1<sup>st</sup> of Febrary**
