

Project: ELCT :: Care2x

Typ (E, C, N)¹: C

Reference Number: 2

Updating the main navigation on the left site of care2x

Short Description: Updating the navigation of care2x

Full Description: If you start up care2x you see on the left hand the main navigation. This navigation should be updated for Selian Clinic and Selian Town Clinic.

Remarks:

- disable the following navigation points
 - Email
 - News
 - Tech Support
- Insert the following navigation pints directly to the main menu
 - Billing
- Following Navigation points should link directly to...
 - Administration should open directly the User Management
 - Click on System-Admin
 - Passwod check...
 - Automatically open the link „Users->Create, Edit, Lock“
 - Immunization should keep on „Immunization topic“
 - Current situation:
 - Actual state:
 - If you click on „Person“-:>“Immunization“ you are selecting a patient. After that you get the common „person registration“ sheet and you have now to click on the right hand sided menu „immunization“ again.
 - Target state:
 - If you click on „Person“-:>“Immunization“ you are selecting a patient. After that you get the common „person registration“ sheet you will get the immunization information of this patient („show_immunization.php“)
- Rename the name of the menu points
 - Rename „directory“ in the main menu to „Telephone Directory“
- Reordering:
 - Medical depot should be placed at Pharmacy
