Project: ELCT :: Care2x

Typ (E, C, N)[1]: C

Refernce Number: 5

List of pending requests (e.g. Patients)

Short Description: Customation of the prending request list what is shown on the left hand when more than one pending tests are outstanding.

Full Description: The list will be shown e.g. when opening the following link: Laboratories->Pending Request...
On the main frame you will get a list of all pending test request. Acutal state: There is the date and the patient number shown. For a better overview there should be the patient name visible.

Implementation Remarks: This can be shown as an box when the mouse is hovering exactly on each patient number. To realize this, the developers friend will be the file „../include/inc_test_request_lister_fx.php". Follow the idea of the alternative text attribute (alt).

Will be realized by:
